

## applications / solutions

### Products in use worldwide

AZ products are used in many different areas in many industries. Typical application examples:

[administrator](#)2017-02-05T14:18:03+01:00

## Green liquor / Black liquor

[Paper industry](#)

Application: Paper production [...]

[administrator](#)2017-02-05T14:17:12+01:00

## TDI/MDI

### [Chemicals](#)

Application: Production of base chemicals for [...]

[administrator](#)2017-02-05T15:28:29+01:00

## Propionic acid / Tower acid

### [Refineries](#)

Application: Sampling system for liquid medium [...]

[administrator](#)2017-02-05T14:19:07+01:00

## Chlorine

[Paper industry](#)

Application: Paper production [...]

[administrator](#)2017-02-05T15:19:21+01:00

## Butter base material

[Food industry](#)

Application: Creamery plant [...]

[administrator](#)2017-02-05T15:16:34+01:00

## Chocolate base material

[Food industry](#)

Application: Chocolate bar production [...]

[administrator](#)2017-02-05T15:31:27+01:00

## Long-term sampling

### [Refineries](#)

Application: Off-shore crude oil loading [...]

[administrator](#)2017-02-05T15:25:09+01:00

## Nuclear power station

### [Nuclear power plants](#)

Application: Nuclear power station (primary circuit) [...]

[administrator](#)2017-02-05T15:13:59+01:00

## Ammonia

### [Fertiliser industry](#)

Application: Fertiliser manufacturing [...]

[administrator](#)2017-02-05T15:35:58+01:00

## Reverse osmosis

### [Seawater desalination](#)

Application: Desalination [...]

[administrator](#)2017-02-05T14:16:12+01:00

## Polyethylene plant

[Chemicals](#)

Application: Polyethylene plant [...]

[administrator](#)2017-02-05T14:24:18+01:00

## Polypropylene plant

[Chemicals](#), [Refineries](#)

Application: Polypropylene plant [...]

[administrator](#)2017-02-05T14:27:05+01:00

## Safety cross-over valve

[Chemicals](#), [Refineries](#)

Application: Special cross-over valve [...]

[administrator](#)2017-02-05T14:32:08+01:00

## Tank farm

[Chemicals](#), [Refineries](#)

Application: Tank farm [...]

[administrator](#)2017-02-05T14:35:06+01:00

## Sulphur pastillation

[Chemicals](#)

Application: Sulphur pastillation [...]

[administrator](#)2017-02-05T14:29:40+01:00

## Ethylene oxide

### [Chemicals](#)

Application: Sampling sytem for gas medium [...]

[administrator](#)2017-02-05T14:37:57+01:00

## High-purity silicon

### [Chemicals](#)

Application: Clean-room silicon production [...]
