More information about the application

Application hints

If you have found a suitable position in our job offers, your application folder should contain the following documents:

- Cover letter including your salary expectations and current notice period
- Tabular and chronological curriculum vitae
- Photograph
- Work or interim references
- Certificates of professional qualification

If you would like to send us your documents by email, please **use PDF files only**. Other file formats will not be accepted. Please understand that we do not send confirmations of receipt or rejections of unsolicited applications. If we should be allowed to store your personal data for a longer period of time for possible future employment, please give us your express written consent to do so in your application letter.

Data protection for applications and the application procedures

The data controller shall collect and process the personal data of applicants for the purpose of the processing of the application procedure. The processing may also be carried out electronically. This is the case, in particular, if an applicant submits corresponding application documents by e-mail or by means of a web form on the website to the controller. If the data controller concludes an employment contract with an applicant, the submitted data will be stored for the purpose of processing the employment relationship in compliance with legal requirements. If no employment contract is concluded with the applicant by the controller, the application documents shall be automatically erased two months after notification of the refusal decision, provided that no other legitimate interests of the controller are opposed to the erasure. Other legitimate interest in this relation is, e.g. a burden of proof in a procedure under the General Equal Treatment Act (AGG).
